WASHINGTON, D.C. TRIP

Permission and Contract Form

I give permission for my son/daughter to travel to Washington, D.C. as part of Har-Bur's American History cultural experience, dating from May 20-23, 2015.

I understand that by signing this form I guarantee that whatever money my son/daughter does not raise or earn by his/herself, I will be responsible for paying. I also agree not to revoke the privilege of going on the trip as a punishment, as this hurts all of the other members of the trip and could result in loss of any money paid.

I understand that any trip of this nature requires an enormous amount of preparation and organization. When deadlines are missed and the organizers have to take time to try to collect overdue payments, and/or completed forms, it makes the huge task that much larger to accomplish. I agree to do my best to abide by all deadlines as they relate to paperwork and financial obligation. I know that if I miss a payment deadline or fail to turn in proper documentation, my child may lose his/her place on the trip. If a situation arises that cannot be avoided, I will communicate as quickly as possible with the trip leaders in order to make alternate arrangements.

Although serious behavior problems are rare, and are not anticipated on the coming trip, I agree to the following:

If under the discretion of the trip leaders, my son/daughter is in anyway disruptive to the total control of the trip, I will be contacted immediately, and arrangements may be made for him/her to be sent home at my expense.

Behavior: I understand that my child's behavior must adhere to Har-Bur Middle School's student handbook, at all times leading up to an including the trip. I know that I/my child may be removed from the trip if my/his/her actions do not show responsible behavior during the school year. If this occurs we may lose all money paid.

Payment: I understand that all payments must be submitted by their due dates, or I/my child will risk removal from the trip.
